

# Sweni Momin

BOD CANDIDATE

**1. Provide a brief introduction of yourself.**

I am Sweni Momin, a Computer Programming student at Conestoga College. Passionate about student advocacy and campus engagement, I strive to create a supportive and inclusive environment for all students. With strong leadership skills and a dedication to improving student experiences, I am eager to contribute to CSI's mission and make a positive impact on campus life.

**2. What inspired you to run for this position and what do you hope to accomplish if elected?**

I am inspired to run because I believe student voices should be heard in shaping our campus experience. I want to enhance student engagement, improve access to resources, and ensure transparency in decision-making. If elected, I will advocate for better student support services, mental health initiatives, and stronger connections between students and CSI to create a more inclusive and dynamic student community.

**3. What qualities and skills do you have that make you a strong student leader and effective board member?**

I am a strong communicator, a proactive problem-solver, and a team player who listens to diverse perspectives. My organizational skills help me manage responsibilities effectively, and my ability to think critically ensures well-informed decisions. I am committed to representing student interests, fostering collaboration, and ensuring that policies and initiatives benefit the entire student body.

**4. Why should students vote for you and what sets you apart from other candidates?**

Students should vote for me because I genuinely care about their experiences and will work tirelessly to address their concerns. I bring fresh perspectives, a strong work ethic, and a deep commitment to student well-being. My ability to listen, collaborate, and take action ensures that student voices are not just heard but actively considered in decision-making. I will be a dedicated advocate for every student.

**5. What are some of the most pressing issues facing students on campus and how do you propose to address them through your work with the student association?**

I will actively seek student input through open forums, surveys, and one-on-one conversations. By collaborating with student clubs, cultural groups, and advocacy organizations, I will ensure diverse voices are represented. I will also promote an inclusive environment where every student, regardless of background, feels empowered to share their concerns and ideas with the Board.

**6. How do you plan to engage with students from diverse backgrounds and ensure their perspectives are represented in the board's decision making process?**

Key issues include mental health support, financial challenges, and student engagement. I will advocate for expanded mental health resources, financial assistance programs, and more accessible academic support. Additionally, I aim to strengthen student engagement by organizing interactive events and ensuring transparent communication between students and CSI to address concerns effectively.
